

**PASTORAL CARE IN EDUCATION**  
**CALL FOR PAPERS AND BOOK REVIEWS**  
**PROPOSED SPECIAL EDITION**

**TITLE: Spirituality and Educational Concerns**

We are seeking paper submissions and book reviews for a future special issue of Pastoral Care entitled 'Spirituality and Educational Concerns'. Critical articles are welcome on a range of topics that may include: analyses of key movements and thinkers and their application to educational practice, mindfulness in schools, creating time and space for reflection, character and values based education, moral education, peace education and conflict resolution, humanistic alternatives to behaviour management, ethics, inclusion and anything that contests the current performativity agenda from a position of spiritual concern. If you wish to discuss your contribution prior to submission, please contact guest editor, Edward Sellman - [edward.sellman@nottingham.ac.uk](mailto:edward.sellman@nottingham.ac.uk).
